## PRESIDENT'S ITEMS

---

In his last official meeting, Pres Mike welcomed all, especially the members of Melkbos club who has travelled so far to visit us.

He reminded everybody about Karen's Induction, and reported back on a successful hand-over meeting between the outgoing and incoming Board.

---

## SLOTS

---

**Biffy** and Pam delivered teddy bears to Victoria Hospital, CHOC houses, HOPE House and Tenterden. Biffy also mentioned that she and Karen are considering a "Christmas in July" social at the end of the month. As they are planning on doing the catering themselves, it will have to be on a Saturday night. Details to follow.

**Bev** passed around a collection box for the SPCA, in support of the guest speaker, and managed to raise R1000. A much better gift than our customary pen.

---

## GUEST SPEAKERS

---

Alan introduced us to Brett Glasby, who is the SPCA Wildlife Unit Manager. With a background in zoo management, he has been with the SPCA for 4 years.

The unit was started in 2007, with the intention of providing a buffer between and the wildlife. Brett entertained us with some of the many interesting experiences he has had in that time, covering everything from spiders to whales. Some of the creatures included a seal from the Antarctic, a 5 week old honey badger which he had to hand rear, a crocodile in Parow, and Black Cobras in car engines.

They have 3 inspectors, who cover 14 000km<sup>2</sup>, so fortunately they are hugely dedicated. Their new Wildlife Care facility handled 1187 animals in its first year of operation!

Bev thanked Brett for his talk, which she described as both heart warming and heart wrenching.

## JACKPOT

---

As Graham decided to hold this over until the Induction, nobody went home with some extra cash. It was rumoured that the next week would be a "must be won" draw.

---

## PRESIDENT'S QUOTE

---

Pres Mike started off the year with serious, sometimes thought provoking quotes, but finished off on a much lighter note, with some quotes from funny man Tim Allen.

## TAILPIECE

---

Here are some tips to help you survive in these tough economic times; (with what you save you may even be able to pay your subs!)

- **SAVE** money on expensive personalised car number plates by changing your name to match your existing plate. eg Mr. KVL 741GP,
- **DON'T** waste money buying expensive binoculars; simply stand closer to the object you wish to view.
- **SAVE** electricity by turning off all the lights in your house and walking around wearing a miner's hat.
- **HOUSEWIVES**, the best way to get two bottles of washing-up liquid for the price of one is by putting one in your shopping trolley and the other in your coat pocket.
- **OLD** telephone directories make ideal personal address books, simply cross out the names and address of people you don't know.
- **SAVE** on booze by drinking cold tea instead of whisky. The following morning you can create the effects of a hangover by drinking a thimble-full of washing up liquid and banging your head repeatedly on the wall.
- **SAVE** a fortune on laundry bills. Give your dirty shirts to the hospice shop, they will wash and iron them and you can buy them back for fifty cents.
- **CAN'T** afford contact lenses? Simply cut out small circles of cling film and press them into your eyes.
- **MAKE** your own inexpensive mints by leaving blobs of toothpaste to dry on a window sill. Use striped toothpaste to make humbugs.
- **SHOPPERS**, when buying oranges, get more for your money by peeling them before taking them to the counter to be weighed.
